If I have not met with you already
please feel free to call me for any local information or assistance.

Here is a photo of the designated "Visitor Mooring":

There are eight (8) of these in the bay.
Four are close to the Castle and another
Four are closer to the Boat Club & Landing Jetty.

If you are on one of these you are good.

When tying to these please use a "Round-Turn"
on the eye (put your line through the eye twice).

This is to help minimise "Chaffing" of your lines. If you have a chain, better.

Clifden Boat Club is the first building you see
when you walk from the jetty.

The Club has a Bar & Restaurant with Wi-Fi internet.

The Wifi code is: **43 17 247 ee 411**

The club website is: www.clifdenboatclub.com
and the Clubhouse phone number is 095-21711.

We hope you enjoy your visit to Clifden Bay.
